

Public Service by the Press and Information Office in view of the emergency measures to reduce the spread of the COVID-19 Virus

The Press and Information Office is following the developments with regard to the spread of the coronavirus in our country and has as its primary concern to inform the public, always following guidance issued by the competent authorities.

Following the latest government's announcements, the PIO announces the following measures for the public:

- Press Centres will remain closed until 30/4/2020.
- The PIO – Photo Archive will remain closed until 30/4/2020.
- Should you require any information for which physical presence at the PIO is not necessary, please use the telephone number given below.
- If you wish to visit the PIO, kindly make an appointment with the responsible Officer.
- If you show any symptoms of the COVID-19 Virus, avoid coming to the PIO, and take the necessary actions as specified in the instructions of the Ministry of Health.

The Press and Information Office is making every possible effort to manage this unprecedented situation, therefore we ask for your understanding for any inconvenience caused due to this emergency situation and the absence of a large number of staff.
