

1412 call center begins operation for information on Coronavirus disease

The Ministry of Health announces that, in addition to the 1450 call center, as of 20 March, noon, the 1412 call center begins its operation. The 1412 call center will operate from 8 am to 8 pm providing general information to the public on Coronavirus.

General information on Coronavirus is also available on the Press and Information website <https://pio.gov.cy/coronavirus> .

The Ministry would like to remind the public that the 1420 call center remains in operation for **reporting symptoms only**.
