

**Written Statement by the Minister of Transport regarding the charter of flights to repatriate Cypriot citizens**

Due to practical problems and difficulties in finding flights, the Government announces the charter of flights to repatriate our fellow citizens who fulfil the provisions stemming from the Decree No. 5 of the Minister of Health (certification from the Republic's Diplomatic Missions abroad).

The first arrangements concern the United Kingdom (UK), while efforts continue for the return of the rest of our compatriots.

Those who have obtained a certificate or confirmation and are in the UK and/or can travel via the UK, are kindly requested to contact the number +357 24 841100 as soon as possible.
