

Decree on flight ban renewed

With a view to safeguarding and further strengthening, on the part of the Ministry of Communications and Works, the measures that have been taken so far by the Government with the ultimate goal and purpose of protecting citizens and reducing the spread of COVID-19 in our country, a decree has been issued, dated 25.05.2020. With the decree, which has been published in the Cyprus Government Gazette, measures to ban flights are further extended for another eleven days. The Decree shall enter into force at 00:00 hours of May 29, 2020 Cyprus time.
