

Revised operating hours of Ammochostos Vaccination Centre — Change of self-test availability hours at Lemesos Maternity Centre

The Ministry of Health announces that Ammochostos Vaccination Centre will be operating in the coming days from 8 a.m. to 4 p.m. instead of from 8 a.m. to 6 p.m. as planned until now, so as to utilise the nursing staff to cover the needs of Ammochostos Hospital and in view of the fact that the attendance of citizens at this vaccination centre is reduced after 4 p.m.

It also announces that, self-tests at the Centre for the Protection of Maternity and Welfare of Children in Lemesos, will be available for citizens only between 1 p.m. — 2 p.m.
