

## **Vaccination proceeds with the administration of a 3rd dose to individuals aged 75 and over**

Continuing the administration of the 3rd dose vaccination procedure for the population groups defined in a decision by the Council of Ministers, and aiming at better protection against COVID-19, through reinforcing immunity, **the Ministry of Health proceeds as of tomorrow, 6 October 2021, with the administration of a booster dose to people aged 75 and over.**

It should be noted that the 3rd dose is administered in Vaccination Centres island-wide, either after an arrangement of appointment via the Vaccination Portal or through the walk-in vaccination centres without prior appointment arrangement. Walk-in centres for a 3rd dose vaccination, operate from Monday to Thursday from 8 am to 1 p.m.

Up until yesterday, **a booster dose was administered to 13,844 individuals**, who belong to priority groups for the 3rd dose.
