

Vaccination Portal opens for vaccination appointments for people of 35 and 36 years of age

The Ministry of Health, following information received from the Deputy Ministry of Research, Innovation and Digital Policy, would like to inform citizens that the Vaccination Portal will open tomorrow May 7th from 7:30 am to 8:00 pm, for the arrangement of vaccination appointments against COVID-19 for people aged 35 and 36.

With regard to people aged 33 to 34, who were due to have access to the Portal tomorrow, there will be an update on the rescheduling of the date tomorrow.
