European COVID-19 Digital Certificate including booster dose for Turkish Cypriots

The Deputy Ministry of Research, Innovation and Digital Policy informs Turkish Cypriot citizens that have, in the past, submitted a successful application and wish to re-issue their certificate including a booster dose, that that they may do so by visiting https://edvc.moh.gov.cy/ and entering **only** the details of their booster dose.

It is noted that it is not necessary to attach / upload travel documents to complete the process.
