

## Cyprus ranks 4th among EU member states in terms of administration of vaccine doses per 100 inhabitants

### Schedule of vaccination appointments for 14-16 May

The 39.6% of the population has already been vaccinated with the first dose of the vaccine by 11 May (293.180 people), while 12.4% has completed their vaccination regimen (91.459 people). With this data, and with the total number of vaccinations administered in Cyprus reaching 384.639, Cyprus, according to the [website OurWorldInData](https://ourworldindata.org), ranks 4th among the EU member states in terms of the administration of vaccine doses per 100 inhabitants.

COVID-19 vaccine doses administered per 100 people, May 11, 2021

Total number of vaccination doses administered per 100 people in the total population. This is counted as a single dose, and may not equal the total number of people vaccinated, depending on the specific dose regime (e.g. people receive multiple doses).

The effort to achieve the goal set for the vaccination, with at least the first dose, of the 65% of the population that can be vaccinated within the first half of the year, continues at an intensive pace and with the aim of providing citizens aged 18 and over the possibility to schedule a vaccination appointment during the month of May. At the same time, efforts are being made to give people of older age groups another chance to make an appointment, if they have not already done so.

Therefore, the Vaccination Portal will open for appointments on 14-16 May as follows:

<b>Ages</b>	<b>Priority date at the Vaccination Portal</b>
22-24	Friday, 14 May, 7:30 in the morning until 5:30 in the afternoon
50-55	Saturday, 15 May, 7:30 in the morning until 5:30 in the afternoon
56-58	Sunday, 16 May, 7:30 in the morning until 5:30 in the afternoon

The Vaccination Portal will only be accessible to people of the age groups described in the table above. Appointments will be made at the Vaccination Centres that operate in all Districts, with the available vaccines. Scheduling for the availability of appointments that will follow will be announced in the coming days. It is noted that on Thursday, 13 May, the Vaccination Portal will remain closed.

Finally, it is reminded that **the process of vaccination with the AstraZeneca vaccine by Personal Doctors is underway** for the beneficiaries aged 30 and over who wish to be vaccinated. So far, **about 25,000 doses** of the vaccine have been given to doctors who have expressed an interest.
