**Announcement by the Ministry of Health regarding discontinuance of
free COVID-19 rapid testing in August**

The Ministry of Health informs citizens that Rapid testing at locations normally operating for free COVID-19 rapid testing on weekends as part of the Ministry's programme, is being discontinued for the month of August.

However, COVID-19 Rapid testing units will continue to operate outside public hospitals in all regions, between the hours of 11 a.m. to 7 p.m., to service patients, visitors and staff to these hospitals, who by Decree are required to present a negative a 24-hour Rapid test result to enter.
