

## Requests for the COVID-19 home vaccination of bedridden individuals end on 16 April

- *Submission of requests for home vaccination of bedridden individuals until April 16*
- *By April 12, 695 bedridden individuals received the 1<sup>st</sup> dose*
- *By April 12, a total of 188,697 vaccinations have been carried out (1<sup>st</sup> dose: 134,686 and 2<sup>nd</sup> dose: 54,011)*

The Ministry of Health announces that the submission of requests for the home vaccination of **bedridden patients ends on Friday, April 16, 2021.**

It is noted that, through the Home Care Service of State Health Services Organization, under the general coordination of the Ministry of Health, **until 12 April, 695 vaccinations (1<sup>st</sup> dose) were carried out either at the home or at the place of residence of the individual, in all Districts.**

For any clarifications, citizens can contact Ms Koula Michael at tel 22605601.

By 12 April, **a total of 188,697 vaccinations** have been carried out, of which **134,686 concerned the administration of the 1<sup>st</sup> dose** and **54,011 concerned the administration of both doses.** The implementation of the National Vaccination Plan continues on the basis of the age criterion, aiming at the protection of citizens' health and the return to normality soon.
