

## **Schedule for the resumption of wedding and christening ceremonies**

Following multiple requests from interested parties regarding the scheduling of wedding and christening ceremonies and for planning purposes, the Ministry of Health has issued the following schedule, which is subject to developments of the epidemiological data:

### **• Phase A: May 17 – May 31, 2021**

- 75 persons indoors for lunch or dinner; or
- 200 people outdoors for lunch or dinner
- Reception/Cocktail party not allowed

### **• Phase B: 1 June – 14 June 2021**

- 150 persons indoors for lunch or dinner; or
- 280 people outdoors for lunch or dinner
- Reception/Cocktail party allowed with 250 people present at any time, only outdoors

### **• Phase C: 15 June – 30 June 2021**

- 250 persons indoors for lunch or dinner; or
- 350 people outdoors for lunch or dinner
- Reception/Cocktail party allowed with 250 people present at any time, only outdoors

### **• Phase D: July 1 – July 30**

- 250 persons indoors for lunch or dinner; or
- 400 people outdoors for lunch or dinner
- Reception/Cocktail party allowed with 250 people present at any time, only outdoors.

It is stressed that the four phases, as described above, **will be strictly implemented only if the epidemiological data allow it** and provided that in every case **the health protocol is complied with**. The aim is to **gradually restart**, while ensuring the **safety of citizens** and **maintaining the epidemiological situation at a manageable level**.
