

Interval before COVID-19 booster shot reduced to five months and two weeks

As part of the efforts to contain the COVID-19 pandemic, the Ministry of Health decided, following approval by the Council of Ministers on 13 December 2021, to reduce the time period for administering the booster/3rd dose of the vaccine in cases of two-dose vaccines, and a 2nd booster dose in cases of the Johnson & Johnson single-dose vaccine, **to five months and two weeks instead of six months.**

Interested parties will have the possibility to arrange an appointment for their vaccination via the Vaccination Portal as of **Wednesday, 15 December 2021**, or to visit walk-in vaccination centres.
