PRESS RELEASE

Announcement of the Deputy Ministry of Research, Innovation and Digital Policy for the issuance of a European Digital COVID Certificate to Turkish Cypriots

The Deputy Ministry of Research, Innovation and Digital Policy informs Turkish Cypriot citizens who have been vaccinated and wish to obtain the European Digital Certificate (EUDCC) for travel purposes that this service will be available until Thursday, 30th of September, 2021. Please visit <https://edvc.moh.gov.cy/> website to issue your certificate.

For more information regarding the issuance of the European Digital Certificate (EUDCC) please consult the relevant [announcement](#) dated 17.08.2021 describing the procedure for issuing the certificate.
