

PRESS RELEASE

Administration of 2nd dose of covid vaccine in Cyprus to individuals who have been vaccinated with 1st dose abroad

Committed to the target of achieving vaccination coverage against COVID-19 of as large a percentage of the population as possible and aiming to facilitate the vaccination in Cyprus with the 2nd dose of citizens who have received the 1st dose abroad, the Ministry of Health initially informs that beneficiaries are only persons who fall into the following categories:

1. Cypriot citizens, or
2. Permanent residents of the Republic, or
3. Citizens registered with the GHS.

Requests for appointments for the 2nd dose in Cyprus can be submitted **either by calling the 1474 hotline, or by sending an email to covid19@dmrid.gov.cy**. In this communication, **all the following information must be necessarily submitted:**

- Name and Surname
- Number of identity document (identity card, passport, Alien Registration Card)
- Date of birth
- Date of administration of the 1st dose
- Vaccine type
- Telephone number
- Email address
- District of residence

The appointment is arranged in a very short time after the submission of the request, therefore, **requests should be submitted after the arrival of the interested citizen in Cyprus.**
