THE INFECTIOUS DISEASES LAW, CAP. 260

Regulations pursuant to article 6(a), (b), (c), (d), (e) and (f)

The Minister of Health, in exercising the powers under article 6(a), (b), (c), (d), (e) and (f) of the Infectious Diseases Law, Cap. 260, conferred on him by Decision of the Council of Ministers dated 3 September 2020, hereby issues the following Decree:

1. This Decree shall be referred to as the Infectious Diseases (Determination of Measures to Prevent the Spread of the Covid-19 Coronavirus) Decree (No.59) of 2020.

2. As the protection of public health and the health care system are the responsibility of the Republic with the aim of containing the spread of the COVID-19 Coronavirus disease, the protection of public health as well as the prevention of the possible collapse of the health system by any dissemination of the virus, taking into consideration the needs in human resources and logistical services that may be necessary to combat the rapid spread of the disease, and as the adoption of additional measures beyond the Regulations that have been issued by the Infectious Diseases (Determination of Measures to Prevent the Spread of COVID-19 Coronavirus) Regulations (No.1) to (No. 58) of 2020, has become imperative, and without prejudice to those of the Regulations which continue in force, and

As, by Notice published in the Official Gazette of the Republic on the authorization of the Council of Ministers, the Minister of Health has declared the local districts of Nicosia, Limassol, Larnaca, Famagusta and Paphos as being infected by the COVID-19 Coronavirus, pursuant to article 4 of the Infectious Diseases Law, Cap. 260, the following Regulations are issued:

2.1 Due to the compelling need arising from the epidemiological data for the protection of public health, combating the COVID-19 Coronavirus and taking into consideration that, despite the measures taken previously, from 14 December 2020 until 21 December 2020 inclusive, 2,903 cases have been recorded, while the average rate of persons hospitalized daily fluctuates at 115-125 patients per day, and given the fact that during the above period 15 deaths have been recorded with the COVID-19 disease being the ultimate cause of death, and given that 9 in 10 incidents recorded are local infections, as well as the fact that the percentage of positive results from laboratory examinations stands at 5%, namely, over and above the safety mark of 4% set by the European Centre for Disease Prevention and Control (ECDC), the following apply for the districts of Lefkosia, Lemesos, Larnaka, Ammochostos and Pafos until 10 January 2021 at 05:00 am, unless otherwise stated in this Regulation:

(a) The movement of persons is prohibited from 21.00 p.m. until 05.00 a.m. with the following exceptions:

- (i) Movement to/from work, as well as for work reasons by presenting the employee movement confirmation form, hereby attached as an Appendix in this Decree,
- (ii) Movement to/from medical centre, hospital, pharmacy or vet for emergency medical reasons, and
- (iii) Movement of hunters to and within non-prohibited hunting areas, as defined in the Laws on the Protection and Management of Wild Birds and Prey of 2003 to 2017, from 03.00 am. only on permitted hunting days:

It is understood that hunters must carry their hunting license with them for check purposes.

(b) Irrespective of the provisions of paragraph (a), the movement of persons is allowed on 24 December 2020 from 5.01 a.m. until 23.00 p.m., as well

as on 31 December 2020 from 5.01 a.m. until 1 January 2021 at 1.00 a.m.,

- (c) With the exception of the catering areas of the Larnaka and Pafos airports, as well as the catering areas of hotels and tourist accommodations, which may function until 21.00 p.m. under the conditions (i) to (iv), the operation of all catering establishments (restaurants, taverns, cafés, pubs, snack bars and bars, cafeterias and catering establishments within canteens and / or sports clubs, cultural clubs, associations, etc.) is suspended, save for their take away services to be carried out only until 20.30 p.m., as well as their home delivery services:

It is noted that catering establishments within hotels and tourist accommodation facilities may operate under the following conditions:

- (i) only persons staying overnight in such hotels or/and tourist accommodation facilities may be served, provided they are exclusively served at table arrangements, subject to the guidelines of the Ministry of Health,
- (ii) the operation and use of bars within catering areas shall be restricted to the preparation of food or drinks by the employees with direct service at the bar expressly prohibited,
- (iii) only a maximum number of six (6) persons may be served per table, and
- (iv) the maximum number of persons that may be served in catering areas of hotels or/and tourist accommodation facilities is set at 40 persons in indoor areas and 80 persons in outdoor areas, provided that the measure of at least one person per 3 sq.m. is observed in indoor areas and at least 2 sq.m. in outdoor areas, subject to the Ministry of Health guidelines:

- (d) Irrespective of the provisions of paragraph (c), the operation of catering establishments within hotels and tourist accommodation facilities is allowed on 24 December 2020 and on 31 December until 23.00 p.m. subjected to the terms (i) until (iii) of the condition of paragraph (c) and with a maximum

number of persons set at 75 in total in either indoor or outdoor areas, provided that the measure of at least one person per 3 sq.m. is observed in indoor areas and at least 2 sq.m. in outdoor areas, subject to the Ministry of Health guidelines:

It is further noted that pursuant to Regulation 2.1 of the Infectious Diseases ((Determination of Measures to Prevent the Spread of the Covid-19 Coronavirus) Decree (No.28) of 2020, the operation of night clubs, discotheques, entertainment establishments and dance halls is suspended,

(e) Mass gatherings and other events, demonstrations, parades, concerts, open-air bazaars, Christmas fairs, festivals in public or private venues, are prohibited,

(f) Gatherings of over two persons are prohibited with the exception of underage children accompanying their parents in private and public meeting spaces, such as parks, squares, churchyards and other religious places, water reservoirs, picnic areas, beaches, pedestrian areas, marinas, etc.:

It is noted that residences are exempt as well as any other areas defined in the Ministry of Health guidelines.

(g) Gatherings of persons in residences are allowed, with a maximum number of 10 persons, including underage children.

(h) Church services and other forms of religious worship in religious sites shall be performed without the presence of congregants:

It is noted that the responsibility for compliance lies with the person or persons who are in charge of the specific religious worship site according to the regulating legal framework of the religion or/and creed concerned.

- (i) Irrespective of the provisions of paragraph (h), church service and other forms of religious worship is allowed on 25 December 2020 and 6 January 2021 with a maximum number of 75 persons present, provided that the measure of at least one person per 3 sq.m. is observed and subjected to the Ministry of Health guidelines:

It is noted that the responsibility for compliance lies with the person or persons who are in charge of the specific religious worship site according to the regulating legal framework of the religion or/and creed concerned.

- (j) Individual prayer in churches, mosques and other religious sites is allowed, outside church service hours or/and other religious ceremonies and provided that not more than 10 persons are simultaneously present within the religious worship place.

- (k) Ceremonies like weddings, christenings, funerals, are permitted with a maximum number of 10 persons attending,

- (l) The holding of luncheons/dinners and any other events relating to weddings and christenings, is prohibited except home events with a maximum number of 10 persons present, including minors.

- (m) Visits to hospitals, clinics, medical and diagnostic centres, are prohibited.

- (n) No visits are allowed to nursing homes, care for the elderly units, chronic patients' units, homes and hostels for vulnerable groups, transitional hospitality hostels for the homeless, day centres and child protection units, with the exception of persons with disabilities whereby each tenant may receive two visits per week, with the possibility of additional visits being considered by a competent officer when an exceptional need arises.

- (o) The operation of open-air and indoor theatres, amphitheatres, cinemas and performance halls, is suspended.
