PRESS RELEASE

Administration of the 3rd/booster dose available to students at all walk-in centres on 27 and 28 December

As part of the Ministry of Health's efforts to better serve students and facilitate their vaccination against COVID-19, on 27 and 28 December all walk-in vaccination centres in all towns will serve only **students** who wish to be vaccinated with a **3rd/booster dose**, and they will receive the mRNA (Moderna) vaccine.

Upon arrival at the vaccination centres students will have to provide their identity card, their vaccination card and their student identity card.

It should be noted that, by exception, students will be able to get vaccinated after a period of five months has elapsed from the time of the completion of their vaccination scheme.
