Priority services in retail establishments granted for citizens over 60 years-old and people with disabilities

Following yesterday's [decisions of the Council of Ministers](#) vis-à-vis the implementation of contingency measures to halt the course of the pandemic, it is recalled that the measure of **granting citizens over 60 years-old and people with disabilities priority access time in food retail establishments across Cyprus, from opening time until 9am, is still in force.**

More specifically, the aforementioned arrangement applies to the following establishments:

- Supermarkets,
- Fruit markets,
- Mini markets,
- Butcheries,
- Fish markets,
- Grocery shops,
- Pharmacies.

It is noted that this measure **does not apply to bakeries, kiosks and/or other establishments where customers can be served in a short period of time without crowding.**
