

Operation of a Vaccination Centre in Larnaka Old Hospital as replacement of the Larnaka Port Vaccination Centre

The Ministry of Health informs that as of Monday 28 February, the Larnaka Port Vaccination Centre will terminate its operation and will be replaced by a Vaccination Centre in the conference hall of Larnaka Old Hospital, opposite the Maternity Centre.

There will be no differentiation in the vaccines offered at the centre.

The Vaccination Centre will operate for scheduled appointments via the Vaccination Portal, as well as a walk-in centre, following the schedule of walk-in centres as follows:

- 1) Walk-in Vaccination Centres in all districts **will operate from 8:00 am until 3:00 pm every Monday, Tuesday, Thursday and Friday.**
- 2) **Every Wednesday** the walk-in Vaccination Centres in all districts, will continue to operate **from 8:00 am to 6:00 pm.**
- 3) **Every Saturday** the walk-in vaccination centres in all districts, will operate from **8:00 am to 1:00 pm.**

In particular:

- Every Monday the **Moderna** vaccine will be available at the walk-in Vaccination Centres.
- Every Tuesday the **Pfizer** vaccine will be available in the walk-in Vaccination Centres.
- Every Wednesday **from 8:00 am to 3:00 pm** the **Pfizer** vaccine will be available at the walk-in Vaccination Centres, and **from 3:00 pm to 6:00 pm** the **Pfizer** and the **Moderna** vaccines will be available at the walk-in Vaccination Centres.
- Every Thursday the **Pfizer** vaccine will be available at the walk-in Vaccination Centres.
- Every Friday the **J&J and Moderna** vaccines will be available at the walk-in Vaccination Centres.
- Every Saturday the **Moderna and Pfizer** vaccines will be available at the walk-in Vaccination Centres.

- The **AstraZeneca vaccine** will be available **only** every Wednesday for the administration of the 2nd dose, at all walk-in Vaccination Centres or by appointment arrangement.
