

PRESS RELEASE

Vaccinations of children aged 5-11 years in cooperation with the Cyprus Paediatric Society

In the framework of the efforts to better serve parents/guardians and especially children aged 5-11 years, the Ministry of Health, in cooperation with the Cyprus Paediatric Society, proceeds with the operation of large vaccination centres.

In particular:

- **On 2 January 2022**, the vaccination centre at **the State fair - point A** will serve only children **aged 5-11 years** (walk-in and appointments through the vaccination portal).
 - Hours: 08:00-14:00

- **On 8 January 2022**, the vaccination centre at **Spyros Kyprianou Athletic Centre - point A** will serve only children **aged 5-11 years** (walk-in and appointments through the vaccination portal).
 - Hours: 08:00-14:00

- **On 15 January 2022**, a vaccination centre will be operating at the office of the Commissioner for the Development of Mountain Communities, in Trimiklini to serve children **aged 5-11 years**.
 - Hours: 08:00-14:00

It is reminded that, at all vaccination centres in Cyprus **on 3 and 4 January 2022, from 8 am until 2 pm, children aged 5-11 years will be served, only after an appointment has been arranged, at the following points:**

Lefkosia	A) State Fair - Centre A B) Centre for the Protection of Maternity and Welfare of Children - Latsia Health Centre (increase of
