Afterwards, the user has to search a beneficiary record.

To locate a beneficiary record, the user has to enter:
- First Name (as it appears on the beneficiary’s Cyprus ID card or Alien Registration Certificate (ARC), either in Greek or English, with small or capital letters without any accents.
- Last Name (as it appears on the beneficiary’s Cyprus ID card or Alien Registration Certificate (ARC), either in Greek or English, with small or capital letters without any accents.
- Identification Document Type (Identity Card or Alien Registration Certificate).
- Identification Document Number
- Date of Birth
**Note:** Search button will be activated only once ALL fields are completed correctly.

4. In this step, the user has to select the District and the Vaccination Centre, where he/she will request an appointment.
5. Once a vaccination center is selected, the system will display a calendar with all available hours to book. The user has the option to proceed to book an appointment by clicking on the available slot or by clicking on the Select Date and Time button. Also, the user has the option to change the selected vaccination center.
