Press Release

Rapid Antigen Testing Units – 23 February 2022

Based on the decisions of the Council of Ministers, and aiming at the suppression of the dispersion of the virus SARS-CoV-2, in places where SafePass is required, individuals aged 6 and above must hold one of the following:

1. **Certificate of full vaccination.**
2. **Proof that they have been infected with COVID-19 during the last three months.**
3. **Certificate of a negative rapid antigen test, valid for 7 days, for individuals aged 6-11 years old.**
4. **Certificate of a negative PCR or rapid antigen test, valid for 72 hours, for individuals aged 12-17 years old.**
5. **Certificate of a negative PCR test, valid for 72 hours, or rapid antigen test, valid for 48 hours, for individuals aged 18 and over, and at least one dose of the vaccine where required by Decree.**
6. **Certificate of a negative rapid antigen test, valid for 24 hours, for individuals aged 12 and over, where required by Decree.**

According to the Ministerial Decision, only the following groups of citizens may be served through the mobile rapid antigen testing units:

- **Minors up to 17 years old.** It is understood that children aged 12-17 who do not have the consent of their parents/legal guardians for vaccination may carry out a rapid test free of charge through the programme of the Ministry of Health.
- **Persons aged 18 years or over who cannot be vaccinated, provided they possess a medical certificate,** and after their request has been examined by the Cyprus Medical Association and the Ministry of Health and has been approved. The approval must be presented to the testing unit. Pregnant women

fall in this category, provided they possess a relevant approval from the ad hoc committee of the Cyprus Medical Association.

- **Persons who have been vaccinated with the 1st dose of the vaccine, only for the period required between the 1st and 2nd dose of the vaccine.** For verification purposes the Vaccination Card must be presented.
- **Persons who have completed their vaccination scheme and the period of 7 months has elapsed without receiving the booster dose,** until further notice. For verification purposes the Vaccination Card must be presented.
- **Persons who received the booster dose** of the vaccine, but wish to take tests for health monitoring purposes or for other reasons. It is understood that the Vaccination Card must be presented.
- Persons holding a COVID-19 **recovery certificate** within the last 90 days but wish to take tests for health monitoring purposes or for other reasons. It is understood that the recovery certificate must be presented.

In addition to the above verification certificates, it is reminded that **all citizens must carry proof of identity** (e.g. Identity Card, Driver's Licence, Passport, etc.), for identification purposes.

On **Wednesday, 23 February 2022**, the testing units under the control programme of the Ministry of Health, will be operating, only for the abovementioned groups of citizens, in the following areas:
